

Appl. No. 10/734,967  
Amdt. dated September 19, 2005  
Reply to Office Action of August 18, 2005

REMARKS

Applicant's representative gratefully acknowledges the Examiner's assistance in a brief telephone interview of today's date.

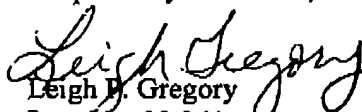

All claims remain as originally presented.

In accordance with 35 USC 121, the Examiner has required election of a single disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable. Applicant has elected the species set forth in Figures 1 – 6 of the present application. It is submitted that all of the claims as originally presented may be considered to read on this species. Thus, no claims have been withdrawn because none were found to be specifically directed to a non-elected species.

The Examiner is invited to contact Applicant's representative at the number set forth below with any questions regarding the present response.

Please address all correspondence to the below-indicated address.

Respectfully submitted,

  
Leigh D. Gregory
